

# Life Enrichment Center Giving Programs

An investment in knowledge pays the best interest. ~ Benjamin Franklin

## Mission Statement

The Life Enrichment Center (LEC) is a private, non-profit organization whose mission is for our students to fulfill their lifelong creative potential through the ageless engagement of the arts.

### What We Do

The Life Enrichment Center is an innovative arts education center where we provide over 25 classes a week to adults of all ages (primarily age 55+). Research shows that lifelong learning and participation in the arts has an overall positive effect on the aging process.

### Your Support

We rely on the support of the community to help sustain our programming which enables us to fulfill our mission. Your financial support *directly* enriches the lives of our students and ensures the continuation of lifelong learning in our community.

### Giving Opportunities

- Corporate partnerships (see reverse)
- Student scholarships
- Unrestricted gifts (one time or recurring)
- Memorial/honorary gifts
- The Gallery @ The LEC fund
- Specific/residuary bequests

## Student Scholarship Opportunities

We want to ensure that the arts remain accessible to all individuals within the community regardless of their ability to pay. Therefore, we have established scholarship opportunities that promote the continuation of learning that might otherwise not be possible for the individual. Student scholarships also ensure the health and growth of our classes and workshops, and provide a unique opportunity for promoting your business by letting our community know that you support lifelong learning and the arts!
